We appreciate you taking the time to coordinate with and understand these changes. In addition to these changes, Urban Surfaces' LooseLay line, InstaGrip, is being expanded, as it has been a huge success. Look out for additional information concerning new InstaGrip items soon. 2024 will be an exciting year! The product team at Urban Surfaces cannot wait to show you what's new.

Thank you for your ongoing support and partnership with us at Urban Surfaces. Your success drives our success.

Stay tuned for more updates as they get released.
