

Sound Testing By
Veneklasen Associates

All sound testing performed with Sound-Tec™ Floating Floor except FloorSilencer Pro™, which used SoHo Square™ GlueDown.

FloorSilencer Pro™ - 3' x 33.4' Roll

Remarkably easy and versatile, featuring compatibility with every single one of our flooring types. FloorSilencer Pro™ adeptly provides noise reduction, moisture protection, antimicrobial defense, and thermal insulation. The ideal underlayment for projects that use very thin flooring or a variety of flooring types.

ALL THE MORE REASON

FloorSilencer™ underlayments wield a wealth of features under the surface, with options providing subfloor imperfection smoothing, thermal insulation, antimicrobial moisture control, and cushioning for every step without compromising adhesives or clip systems.

UNHEARD-OF NOISE REDUCTION FOR VINYL FLOORING

YOU DIDN'T HEAR IT FROM US

Our versatile and laboratory-tested FloorSilencer™ underlayments provide the best noise reduction matched to your specific flooring installation needs.

SMOOTH OPERATOR

Subfloor preparation is an art. Not everyone is an artist. FloorSilencer Boost™ provides subfloor-imperfection smoothing to prevent troublesome telegraphing.

LVT JUST GOT EVEN COZIER

Our FloorSilencer™ underlayments have options providing thermal insulation and cushioning for every step without compromising adhesives or clip systems.

EXPLORE ALL OF THE URBAN ESSENTIALS™

Start to finish, the Urban Essentials™ line contains everything needed for the perfect flooring installation.
