REMEMBER TO PRIME WITH TRILOGY™ FOR OPTIMAL PRISM™ PERFORMANCE

Together, Prism™ and Trilogy™ create an unrivaled adhesive bond. Trilogy™ Multipurpose Primer allows Prism™ to maximize its subfloor grip. Trilogy™ also provides encapsulation or up to 95% moisture protection (not simultaneously).
When flooring repairs are needed, Prism™ saves you time and money with its firm set yet releasable formulation, allowing for easy plank removal and replacement.

FIRM-SET ADHESIVE ALLOWS FOR EASY REPAIRS

The aggressive tack and fast grab of Prism™ will hold flooring tightly. With superior plasticizer migration resistance and elastomeric properties, Prism™ is the right choice for residential flooring.
